

### **Benefits for NCSC members:**

**NCSC** is the most professional, engaged and involved association within the shopping center industry in the Nordic countries, including all shopping formats, all locations, and all professions directly and indirectly engaged in shopping centers.

**NCSC** is the best network in the industry, has a high visibility, and creates the best activities.

The purpose of **NCSC** is to advance the shopping center industry and to promote its role both in relation to other industries and to the society.

**NCSC** creates one great platform for industry professionals to network and benchmark, across national borders as well as professional ones. A member gets many benefits:

⇒ **The membership directory** with direct contact info to over 1000 of your peers is a useful tool in your everyday work. And its on-line, easy to access wherever you are.

⇒ **The NCSC Newsletter**, frequent Center News on-line as a newsletter.

⇒ **School for Advanced Center Management**, the only industry education.

⇒ Participate in all our **activities** at a reduced fee, in all four countries Denmark, Finland, Norway and Sweden plus the joint Nordic events.

⇒ Access vital information, seminar documentations and reports from study tours all over the world via member pages on our Web-page.

⇒ Via the **secretariat** in Stockholm you can get in contact with, ICSC, the International Council of Shopping Centers, and other national councils all over the world.

As a shopping center professional you can choose in between three different membership forms;

**Corporate membership** - For companies involved in the business of either; retail, consulting, construction, development, maintenance and/or management of shopping centers. The membership includes five (5) individual listings in the NCSC directory, and one (1) vote.
